DECISION NO. 74748ORDER

Open Meeting
September 9 and 10, 2014
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. On June 27, 2014, Qwest Corporation dba CenturyLink QC ("CenturyLink") filed a request with the Arizona Corporation Commission ("Commission") to approve CenturyLink's 2014 addition to its non-impaired wire center list in accordance with the Federal Communications Commission ("FCC")'s *Triennial Review Remand Order* ("TRRO").¹ In the TRRO, the FCC

¹ Order on Remand, *In the Matter of Review of Unbundled Access to Network Elements, Review of Section 251 [Unbundling Obligations of Incumbent Local Exchange Carriers]*, CC Docket No. 01-338, WC Docket No. 04-3 13 (FCC rel. 7 February 4, 2005) (hereafter "Triennial Review Remand Order" or "TRRO").

1 determined that Competitive Local Exchange Carriers ("CLECs") were no longer impaired
2 without unbundled network switching. The FCC also established certain criteria for determining
3 whether CLECs were impaired without access to other Unbundled Network Elements ("UNEs").
4 When wire centers are designated as non-impaired for certain services, CLECs are no longer able
5 to access those UNEs at Total Element Long-Run Incremental Cost ("TELRIC") prices, and the
6 CLECs must transition to facilities of their own, to alternative services from another provider, or to
7 Incumbent Local Exchange Carriers ("ILECs") at tariff prices.

8 2. According to the process established by the Commission in Decision No. 72178 for
9 future wire center classification filings, CenturyLink is to confer with Staff to develop the mailing
10 list of affected Arizona carriers, as well as a form of notice that CenturyLink can serve on all
11 affected Arizona carriers at, or before, the time that it files a wire center additions request. The
12 notice, to be approved by Staff, is to provide the carriers with information about the proposed
13 designations, is to provide information about how to obtain the information supporting
14 CenturyLink's proposed designations, and is to provide at least 30 days for interested carriers to
15 review the information and file any objections to CenturyLink's proposed designations.

16 3. CenturyLink is to file certification of mailing the notice as soon as practical. If the
17 matter is uncontested, Staff may prepare an Order for the Commission's consideration, or forward
18 the matter to the Hearing Division for the preparation of an Order. Staff is to file a Staff Report
19 and recommendations if it forwards the matter to the Hearing Division. If any carrier, intervenor
20 or Staff objects to CenturyLink's proposed designations, the Hearing Division is to establish
21 procedures for resolving the dispute. In addition, any party may request a Procedural Conference
22 before an Administrative Law Judge to discuss the process or substantive issues raised by the
23 Application at any time.

24 4. Pursuant to this established process, CenturyLink conferred with Staff to develop a
25 mailing list of affected Arizona Carriers and Staff approved CenturyLink's proposed form of
26 notice. The notice contained the required information and provided at least 30 days for interested
27 carriers to review the information and to file any objections to CenturyLink's proposed
28 designations.

6. This matter is uncontested. Therefore, Staff recommends approval of CenturyLink's 2014 reclassification of the Scottsdale Main (SCDLAZMA) Wire Center from a Tier 2 wire center to a Tier 1 wire center and that this wire center be added to CenturyLink's list of non-impaired wire centers.

1. CenturyLink is an Arizona public service corporation within the meaning of Article XV, Section 2 of the Arizona Constitution.

3. The Commission, having reviewed CenturyLink's Application and Staff's Memorandum dated August 25, 2014, concludes that approval of CenturyLink's 2014 addition to its non-impaired wire center list complies with FCC and Commission requirements.

...

ORDER

IT IS THEREFORE ORDERED that the following wire center shall be added to Qwest Corporation dba CenturyLink QC's list of non-impaired wire centers:

Wire Center	CLLI	Tier	Non-Impairment for
Scottsdale Main	SCDLAZMA	Tier 1	DS1, DS3, Transport & DF

IT IS FURTHER ORDERED that this Decision shall become effective immediately.
